First Half - Through THE DREAM sequence and scene
 Second Half - From after THE DREAM to the end.

Saturday rehearsals will occur at a time that works best for the majority of cast members. Hopefully they will start earlier and end earlier.

Most rehearsals will last approximately 2 hrs. Some will be less. As the schedule progresses, some longer rehearsals will be required. If everyone arrives ready to rehearse at 7pm, we will work hard to always be done by 10pm if possible. That can not be guaranteed during final full show rehearsals!

If those involved in special dances / songs wish to arrange to come early to rehearse, it would be beneficial to you and others involved in the show. This works best on nights when your dance / song is on the rehearsal schedule. Make sure arrangements are communicated before this occurs so that all needed will arrive early and the building opened.
